Hi All!

Thanks so much for supporting our new activity! Hope everyone has a good time! I decided against giving out individual ride times because of the "add on at the gate" opportunity which can mess things up.

Every Class will have a time allotment. Please put your number in with the Starter so we can have an Order of Go at the In Gate.

We will be using the Indoor Arena for Warm Up and entering the outdoor through the single gate near the Indoor.

A few reminders:

- We will be placing classes on Jump Faults and closest to Optimum Time
- You may add rounds at the gate, (but remember to pay for them!) .. First round only to count towards placing
- There is **NO FOOD CONCESSION** on the grounds
- Use the Competition Entrance on Woodward Rd (114 Woodward Rd., Nassau, NY 12123)
- All dogs **MUST** be kept on a leash

Have a great day!
