

# **COVID POLICY**

We are no longer requiring the wearing of facial masks for those who are **Fully Vaccinated**.

**Those who are NOT will be required to wear a face mask when in the Barn/Indoor** (Not while riding)

However, everyone please be **personally responsible** in terms of transmission and infection for both yourself and others around you. It is suggested that you carry a mask with you and if you are going to be in a closed space such as the Feed Room or Tack Room with other people, that you **put it on**.

*Thank You!*
